This is the second office action for application number 10/822,923, adjustable Position Mounting Device, filed on April 13, 2004.

Drawings

The drawings were received on October 19, 2005. These drawings are approved.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claims 15-17, in line 1, "a" after "mounting" has been deleted.

In claim 21, line 2, "a" has been deleted.

In claim 24, line 2, "a" has been deleted.

In claim 27, line 2, "a" has been deleted.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: one of the primary reasons for the allowance of the claims in this application is the limitations of a skid having a pair of laterally disposed base members, first and second support

Art Unit: 3632

members, wherein the second support member is releasably attached to and between the pair of base members and is adjustably positioned relative to the pair of base members to substantially provide the required horizontal axial alignment of first and second pieces of equipment, wherein each of the pair of base members has a vertical surface with a first plurality of vertically disposed holes extending horizontally through the vertical surface and defining at least one horizontally aligned set of holes, wherein the second support member has a mounting plate and a pair of side walls extending perpendicularly from opposing edges of the mounting plate, wherein each of the pair of side walls has a second plurality of vertically disposed holes extending horizontally through the side walls and defining at least one horizontally aligned set of holes parallel to the mounting plate and which correspond to the set of holes in the base members, and a plurality of fasteners, now essentially in independent claims 15, 16, and 17 and in combination with the other elements recited in the claims, respectively. These limitations are not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
